

## We support your voluntary return to your home country

### Returning home

Coming home means:

- to rejoin family and friends,
- to live among familiar places and faces,
- to speak one's own language

Coming home means also:

- a new start,
- social respect and
- a chance for new working opportunities

On the other side coming home means

- fear of persecution
- fear of a new start

but also:

- shame and fear of failing
- exclusion from the community

### We offer

#### Assistance

- we clear migration policy issues
- we provide the latest news about the situation in the home country
- we consider the pros and cons of going home

#### Qualification

- we help you to plan your future at home
- we advise about job training offers
- we arrange financial support to start your own business

#### Support

- we support you to obtain the needed travel papers
- we arrange the travelling
- we provide financial support for shipment of luggage
- we help with the authorities
- we offer individual assistance (i.e. sickness, invalidity, for the elderly)
